Last Week's E-Light

peacedalechurch.org/e-li

To what are you feeling called?

What was the formative event for the ancient Hebrews as a people? That sounds like a good question of the day, doesn't it? This Sunday, during the Family Worship Service, we are going back in time, in a manner of speaking, back to the time of Moses! Do you remember the genesis of his remarkable story? What does Moses, and his story, have to do with you and your life today? Will there be a burning bush in worship? Come and see, come and listen to what God might have to say to you ~ as the story of God and God's children continues in our lives.

See you on Sunday! Peace and Joy, Brother Fred

Worship Flowers

The flowers of November 24 are given to the glory of God and in loving memory of their parents, Winfield and Phyllis Tucker, by Linda Tucker and Eve Keenan.

Flowers are a beautiful way to remember a loved one, celebrate a special occasion, or simply give to the glory of God.

If you are interested in donating Sanctuary flowers for

December or beyond, please contact Carol Anne Hayes at 401-487-9127 or carolhayes44@gmail.com

Coming in December: Flower Purchases Will Support Dinner Table

In the month of December, purchase of specially marked flower bouquets at the Narragansett Stop and Shop will generate donations to the Peace Dale Dinner Table. The Narragansett Stop and Shop has selected Dinner Table as the local recipient of the month for December.

Next week's E-Light will be published on Tuesday 11/26.

The Office will be closed Wednesday 11/27 & Thursday 11/28 for Thanksgiving.

Once a Month Singers

We have a somewhat animated group who sing with the family service the 4th week of each month (Next up is 11/24.) You do not need to read music, just enjoy singing

together and show it. I email you videos and music/lyrics of all the pieces ahead of time so you can practice. We rehearse just once at 9 AM before the family service. **Feel free to try us out.**

CONTACT jane.stabile@ outlook.com or 508 395-1172.

Well, Music Sunday has come and gone, we hope you were there and enjoyed the service. Our choir members really enjoyed preparing for and delivering the music portion of the morning. We were joined by four extra paid musicians for that service.

Now it's on to preparing for Advent and Christmas. It would be wonderful if we could have more volunteers from the congregation join one of the choirs or perhaps offer to play a musical instrument during the season. Please give this your prayerful consideration.

November Mission of the Month: UCC Hurricane 2024 Relief Appeal

The National Ministries of the United Church of Christ has a long history of supporting communities as they recover from disaster and their plight fades from the headlines. Your support of this appeal will ensure that communities are supported and accompanied for years as they rebuild.

On October 9th, 2024, Hurricane Milton landed on Florida's west coast, less than two weeks after Hurricane Helene devastated the region in Florida's Big Bend region, Georgia, western South Carolina, western North Carolina, and eastern Tennessee. Many people perished, roads were washed away, and several communities have been devastated by both tornados and flooding.

The Global HOPE team continues to be in communication with the Southeast, Southern, and Florida Conference staff, ecumenical partners in disaster recovery, and response coordination calls with the national network of voluntary organizations active in disasters (VOAD).

Several UCC churches throughout the affected region have suffered extensive damage to their church buildings and surrounding communities. As the full impact of both storms continues to become realized, the Global HOPE team is helping to connect victims of the storm's devastation with immediate resources as well as preparing to support long-term recovery efforts.

Thank you for your assistance in helping families and communities who are in great need in the aftermath of these hurricanes. Your heartfelt support will make a difference.

For additional information, see the UCC website at <https://www.ucc.org/what-we-do/wider-church-ministries/global-hope/disaster/>

PDCC supports the UCC Hurricane Relief Fund as our November Mission of the Month. You may donate by 1) placing your gift in the Missions basket during Sunday service, 2) sending a check to the church office @ 261 Columbia Street, Peace Dale, RI 02879, **Checks should be made out to PDCC with "Hurricane Relief" in the memo line** or 3) clicking the **Give now** button here to donate online (peacedalechurch.org/ways-to-give).

Stewardship and Thankfulness for God's Gift of Creation

From a Christian perspective, the idea of stewardship is rooted in the belief that God entrusted humanity with the care of His creation. This responsibility is often drawn from Genesis 1:26-28, where humans are given the charge to "rule over" the earth, which implies a duty of care and management, not exploitation.

In the context of climate change, this stewardship could be interpreted as a call to protect and preserve the environment as *an act of obedience and love for God's creation*. The impact of climate change—such as the loss of biodiversity, natural disasters, and threats to food and water sources—affects the most vulnerable populations. This aligns with the broader Christian call to love one's neighbor and seek justice, particularly for the marginalized.

Engaging in efforts to mitigate climate change can be seen as a way to honor God's work, ensuring that the world remains sustainable and fruitful for future generations.

We must adapt to the extremes we can no longer avoid, but we must also transition quickly away from dirty, polluting energy sources. If we don't, the coming changes may be too great for us to adapt to.

Each of us can contribute to climate mitigation in our daily lives. We can all do our part by switching to an electric vehicle, installing roof-top solar, making our home more energy efficient, electrifying our appliances, and even considering changes to what we eat and how we commute. Even more powerfully, these actions can start conversations that make change contagious – with friends or family, or in our workplaces, schools, or communities.

Prayer Matters

To build fellowship and make full use of the congregational power of prayer, we offer this Prayer Matters space to allow

members of our community to lift up their names and requests for prayer. This adds to the opportunities for congregants to lift up their prayers during Sunday service, and to request the care of the [Prayer Circle](#) that gathers every Tuesday morning or of our [Called to Care](#) ministry.

How to share your prayer

You may choose to use all or any combination of: Joys & Concerns on Sunday morning, Prayer Circle ministry, Called to Care ministry, and the new Prayer Matters section of the newsletter.

- To lift up your prayer during **Sunday Service**, simply raise your hand, voice your joy or concern and then say, "this is my prayer"; the congregation responds "this is our prayer". Prayer requests made during Sunday service are shared aloud with those in attendance.
- To request the care of **Prayer Circle**, submit the [online form](#) or call the church office at (401) 789-7313. These requests are shared only with members of this group.
- To request the support of our [Called to Care](#) ministry team, call the church office at (401) 789-7313 or submit the [online form](#). These requests are shared only with members of this group.
- To request your prayer be included in the E-Light newsletter, send email to office@peacedalechurch.org or call the church office at (401) 789-7313 (leave message for MaryLou).
